Privileged Attorney-Client Communication / Attorney Work Product

Hi all,

Brad and I had another call with EIP yesterday. Our primary take-away from the conversation is that EIP/LSRA are still concerned that our offer to meet with them will not provide them with sufficient involvement; they seem inclined to seek intervention sooner rather than later. But they continue to consider our meeting proposal. They posed a few requests/conditions about our proposed meeting, including whether the U.S. would enter into a common interest agreement with them before the meeting

Thanks,
